halildogan .who

was born in 1989 izmir,turkey.graduated from izmir university of economics, fine arts and design faculty - interior design and environmental architecture.also learned visual communication design as a minor department

believed; a multidisciplinary design process that gathers people from different disciplines under a single roof with same enthusiasm.

FORM FOLLOWS FUNCTION

02

www.fffun.org

formfollowsfun.why

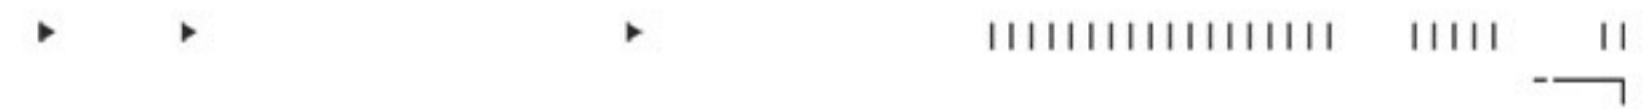

because having fun during the creative process is the most important factor that triggers the sense of aesthetics with function.having fun makes you feel the subject deeper.as a matter of fact,sometimes being stupid can bring the smartest ideas.
